

# PLEASE FORGIVE ME

Words & Music: Robert Shumy

Please forgive me, when I'm tryin to do my best,  
luck and trouble are real good friends, I'll guess.  
Some things are good, some things are bad,  
so much difference makes me mad.  
Don't say no, don't make me sad,  
you're the only one I ever had.

Please forgive me when I'm cryin',  
when I'm doin' some thing wrong.  
So many stupid words, I'm so sorry 'bout my own,  
please forgive me my mistakes,  
In pieces my old heart breaks.  
Don't say no, don't make me sad,  
you're the only one I ever had.

I waste my time for so much trouble shootin' things,  
it's so easy to miss the right way, but I think.  
This rocky road, we're goin' together,  
makes us inseparable.  
Don't say no, don't make me sad,  
you're the only one I ever had.
